### Release #1 : Akame Ga Kiru ch.3

Translation: Lucifell - Edition: Aldron

This was a PinkFatale Scans release. If you want to support this new  
translation group, there are two routes: J-E translators (join the group) - or  
translators donate some bucks so that I can cover/recover a translation.

I don't know if I'll continue translating this series (it's up to Lucifell if he wants  
to keep translating it or not). In any case, go to the site to know about the  
possible future projects.
