You want  
humans  
and gods  
and I  
the anything

called power  
People need  
to have  
a relationship  
with  
the divine

It's  
not  
necessarily  
about  
power  
but  
about  
relationship  
and  
gods  
and  
goddesses

The good  
is the  
highest  
thing  
in the  
universe

Left to right:

Our money
